Our programs are offered to all ages, but primarily focus on children ages 3-17.

# GLENGARRY SKATING CLUB

TEACHING PENTICTON TO SKATE SINCE 1953

As a club, we strive to offer opportunities for our skaters to set personal goals, compete around the province and to perform in the community. Over the past five years, we have been building our local events and have a steady fan-base. Our estimates for this year's events are:

*Club Calendar: December.* A custom photo calendar of the past years' skating events and competitions. Sponsor's logo is on each calendar month. **100 calendars are distributed to skaters' family and friends.**

*Spring Ice Parade 2025 "Encanto": April 17, 2025.* Our largest event, "Encanto", is a family-friendly, public, community event. All levels of our skaters, from Pre-CanSkate to Competitive Senior, will wow the spectators at the SOEC during a live evening show. **Approx. audience 900**

*Okanagan Regional Championships: February 6-8, 2025.* Over 300 skaters, along with their family and friends will compete over 3 days at Memorial Arena. **Approx. audience 800**

*Oqoqoqo Competition: March 15, 2025.* A fun-day event for our beginner skaters to Star 4. It's a great non-pressure event to introduce local skaters to competition. **Approx. audience 100**

*Winter Wonderland: Dec 2025.* A festive ice show where our skaters show off their programs and a few groups numbers, followed by a fun, family skate. **Approx audience 200**

Thank you for your consideration. We look forward to discussing this with you at your convenience. Reach out to us at [events@glengarryfsc.com](mailto:events@glengarryfsc.com).

Sincerely,  
GSC Sponsorship and Fundraising Committee  
Ian, Omar and Margie
